Oklahoma City, OK (May 21, 2025) - Keep Oklahoma Beautiful (KOB) applications for *Paint Oklahoma Beautiful* (POB) open June 2 and close July 31, 2025. The free paint program allows communities to apply for recycled exterior paint and a stipend for supplies.

This statewide beautification program is open to anyone in Oklahoma looking to transform a local public structure with a fresh coat of paint. The amount of paint awarded is based on the surface area detailed in the application. Completed projects will be eligible for recognition in the “Communities Primed For Change” contest at the annual Environmental Excellence Celebration on November, 14.

“It’s incredible what a fresh coat of paint can do — not just for buildings, but for community spirit” - Evelyn Schaefer, KOB’s Executive Director.
