Oklahoma City, OK (June 1, 2026) - Keep Oklahoma Beautiful (KOB) applications for *Paint Oklahoma Beautiful* (POB) open June 1 and close July 15, 2026. The free paint program allows communities to apply for recycled exterior paint and a stipend for supplies. This statewide beautification program is open to anyone in Oklahoma looking to transform a local public structure with a fresh coat of paint. The amount of paint awarded is based on the surface area detailed in the application. Projects submitted before September 8, 2026, are eligible for the “Communities Primed for Change” award at the Environmental Excellence Celebration on October 29, 2026.

Keep Oklahoma Beautiful empowers Oklahomans to preserve and enhance the state’s natural beauty while ensuring a healthy, sustainable environment. We envision a future where Oklahomans in every corner of the state are active stewards of the land they love, and where no community has to work toward a cleaner, greener Oklahoma on its own.
